That would be my preference too. If we are figuring out how to support/respond to Florida, I'd like our subject matter experts in the room, so delaying a formal meeting a few weeks would be better.

Let's find some time tomorrow Mindy for a small group of us to chat. And then, encourage folks up the chain to wait for a few weeks. Perhaps we could suggest that Florida outline their most pressing concerns or questions in the meantime. We could also confer with R4 staff or others who are familiar with the current state program in the next two weeks.

Kathy has a standard spiel, so that is not a problem. It might be more useful to prep for addressing specific areas of concerns.

Mike

Thanks for the message. I think it would be useful to have a discussion so I can understand what all is going on and we can plan for a briefing when you and Lee are back in the office.

Sorry having real problems with my computer sending messages before I'm done. I completed my message below:

Hi Mindy,

Tom and I were talking. He had hoped to hear from FL by now regarding their intent to assume the program.

Per Sandra's direction, we are willing to set up a quick call between R4 and OWOW before I leave but we are curious about the benefits of it absent more information from FL.

We could go over the process for approval, but that is pretty much laid out in the regs and statute. Happy to meet, but want to use folks time wisely. thanks. - Kathy

Those that are here and able to participate include:

OWOW - here: Mindy, Mike, Kathy, Hazel (I think)
missing: John, Sandra

R4

Here: Tom, Tony (not sure if Phil (ORC), Diana or others are here)
missing: Mary Walker

OGC - Here: Simma (but will be going

Ex. 6 Personal Privacy (PP)

Missing - Carrie W.

OECA - Here: no one

Missing - Jeff Speir
